PAYMENT TERMS AND CONDITIONS:

1. Membership fees are due on or before the 31st May of each year but the following payment terms can be arranged, if requested in writing:

Due by	Minimum Payment
31 st May	40% of total or full amount due
30 th June	Plus 30% of total or balance due
31 st July	Plus 30% of total (i.e. balance due)

2. No resource (i.e. helicopter, spotter or resource will be dispatched if minimum payment has not been received)

3. Resources will only be dispatched to title deeds that are registered with the LFPA. (Please ensure that your records are up to date.)
4. A member may request to register land that is under management e.g. timber hectares sold standing. The account will be calculated on the area registered with the LFPA.
5. Where a resource has been dispatched, the Member agrees to make payment of the amount due to the LFPA within 30 days of the Invoice in which the service was rendered.
6. No resource (i.e. helicopter, spotter or resource will be dispatched if a 30-day invoice is overdue)
7. Should the Member fail to lodge an objection in writing with the LFPA within 14 working days of receipt of Invoice for services from the LFPA, the Member will be deemed to have received such services at the rate invoiced.
8. The Member agrees to be liable for interest on all monies owed and unpaid at the rate determined by the committee, per month from due date of payment.
9. Should the member default with payment, the member consents to the jurisdiction of the magistrate's court in respect of any claim made by the LFPA against the Member and agree to pay the LFPA's legal costs on the attorney and client scale, including collection commission.
10. If a resource (i.e. helicopter, spotter or resource) is requested, the **CALLER** will be liable for the account irrespective of what has been decided on the fire-line.
11. Only callers listed on the LFPA's database will be allowed to activate resources.
12. A member may only request a resource for a non-member if the member's property is directly threatened and the member will then be responsible for the account. The invoice may reflect a higher rate, as decided by the committee from time to time.
13. Resource operating rates will be published on the Website www.letabafire.co.za from time to time, as and when the contracted partner informs the LFPA of the rates.
14. Whilst every effort will be made to keep all resources serviceable the LFPA cannot be held responsible for the availability of the resources. Any query or objection regarding availability or serviceability during operations must be made in writing or at a meeting where such objections are recorded.
15. The member accepts that by receiving an invoice by e-mail they agree to receive invoices in an electronic format. An original COPY must be requested in writing if so required.
