

SANWILD AMBASSADORS

SanWild Private Wildlife Sanctuary

SanWild is embarking on a challenge to companies, organizations and individuals to become personally involved in our conservation initiatives on the ground by joining our SanWild Ambassador program.

We aim to form a personal relationship with our donors by inviting them to visit the private sanctuary and stay in our comfortable tented lodge. During your stay, you will not only experience the magic of the African Bushveld but also get to see our rescued animals in their natural habitat.

The SanWild Ambassador program is all part of our accountability drive to show our donors what their funds are doing on the ground. The photo safari is a means to say thank you and allow our donors to experience conservation in action that their sponsorship enables.

How does it work?

To become an Ambassador, you need to sign up for membership to an exclusive club with limited memberships for 12 months with an option for renewal.

Depending on the sponsorship package chosen, you will be allocated a number of nights in one of our three luxury tents in our comfortable tented lodge in the Private SanWild Sanctuary.

Additional perks include:

10%/25%/50% discounted rates for extra nights, tents or guests

Company Logo or your name on our sponsor page on our website

Plaque with your logo or name on our Ambassador wall at SanWild

Exclusive access to our Ambassador social media pages for updates on wildlife rescues and other SanWild news

Tax Donor Certificate for South Africa
Nights are limited, and hence membership is limited to 300 available nights throughout the 12 months, meaning a maximum of 150 slots are available at the Silver Ambassador level.

Becoming a SanWild Ambassador enables us to cover our operational costs to keep the sanctuary running.
